### **Required September 2024 Teacher of Science– Permanent, full time M2—UPS3**

This position is suitable for teachers on the main and upper pay spines, from M2 upwards

We wish to appoint a talented and inspirational Teacher of Science. The post will be permanent, and full-time. The successful candidate will be able to teach Science across the 11-16 age range. A specialism in Physics or Chemistry would be preferred, however, applications from teachers of all specialisms will be considered.

Science results are strong and the successful candidate will join a talented and committed team of teachers.

Belvidere is a successful, oversubscribed 11-16 comprehensive school in the county town of Shrewsbury. Students at Belvidere make excellent progress, and we are looking for someone who will share our high expectations for all students. 2024 sees exciting developments in the life of Belvidere School as we are due to be moving into our brand new school building ready for September. The Science team will be based in a suite of newly-fitted laboratories.

Belvidere School is committed to safeguarding and promoting the welfare of children and young people, and expects all staff and volunteers to share this commitment. The post is subject to an Enhanced Disclosure from the Disclosure and Barring Service (DBS). Please note that an online search will be undertaken as part of due diligence checks during the shortlisting process.

For further information and to access the application pack, please visit our website at [www.belvidere.shropshire.sch.uk](http://www.belvidere.shropshire.sch.uk).

**Closing date: 9am on Wednesday 1st May**

“

*“Thank you all again...Belvidere is an excellent School and we're so pleased that our boys made the choice to spend their Secondary School days with you.”*

”

Belvidere School serves the local community on the East side of Shrewsbury, County Town of Shropshire. We have a truly comprehensive intake, and almost all of our students walk to school. There are approximately 840 students on roll.

Belvidere School is situated in the historic town of Shrewsbury, in the beautiful county of Shropshire, a short distance from the Welsh border, but with excellent motorway and rail links to the West Midlands and beyond.

We are very much a school of choice with local parents, and the school has been oversubscribed for many years.

***“ Sincere thanks for all that the school and individual people have done to make both my daughters' school lives mostly joyful, eternally memorable and shaping both their minds and futures in ways we can all only begin to guess at, especially this year with respect for all that you have done for them. Thank you, thank you, thank you.” Parent***

Visitors to Belvidere School always comment on the warm, positive, friendly welcome, and the calm purposeful working atmosphere in the school. We believe this is essential in ensuring our students make the excellent progress that they achieve.

We have a clear commitment to the continuing professional development of all staff. Throughout the year, teaching staff are invited to select from a variety of CPD sessions, closely

linked with our Appraisal procedures, and the requests of individuals. This enables colleagues from different subject areas to work closely together on areas of identified need. We recognise that we have a range of experience and expertise within the staff and therefore the sessions are delivered by a variety of different people, sharing good practice throughout the school.

We are very proud of our school, and hope you will feel inspired to want to join our success story. We also have the exciting prospect of moving into a completely new school building in the coming months .

***“Thank you for your support as a school. I know my children are in a good place in Belvidere and both doing well and that you are working hard as a school to meet all the year groups provision academically and pastorally. Well done to your staff for their hard work and dedication.”***

# Science Department

The Science Department at Belvidere is constantly striving to achieve the very best for all our students. The department has an exceptionally strong team ethos and the successful applicant will benefit from working within a department that is not only successful, but also supportive and friendly.

At KS3 we teach a varied and exciting written course that follows the National Curriculum. At KS4, all students follow either the AQA Separate Sciences, or Combined Science Trilogy GCSE courses. One-third of KS4 students

typically opt to study Separate Sciences.

Good exam performance is very important to us. We have an excellent track record, and the GCSE results are indicative of the standard of teaching and learning that goes on within the department.

Central to our departmental success are the relationships between staff, students and the senior leadership team. We are a mutually supportive working group which always

tries to get the best out of our students.

In 2024 Belvidere School will be moving into an entirely new school building. As a department we will be based in a suite of newly fitted labs, as seen in the below image. This offers us a tremendous opportunity to grow our teaching even further and to develop and embed a love of Science in all our students in these new facilities. The successful candidate will be joining us at an exciting point in our journey.
