1. Access to 8 inter-school competitions for the year
2. Access to unlimited no. staff to 2 TSA INSET opportunities

What does our service offer?

Inter-school Competitions

You will have the opportunity to select and attend the number of events your level of SLA dictates. Events may include 'cluster' events for which the transport may be used for and any other area wide competitions within the yearly calendar (produced in June 2024). Events will take place at the most suitable venue (secondary school site, sports club/organisation site or primary school site).

INSET

The TSA will deliver a minimum of 1 INSET opportunity each academic term. In all packages your school would have access to 2 of these for an unlimited number of staff, however they are mainly targeted at PE leads and Head Teachers.

Leadership Training

Leadership Academy training and mentoring

Will consist of ½ day training x3 for 4—8 Y5 or 6 pupils identified by you. This course equips pupils with the skills/knowledge to plan and deliver inter-school competitions/personal challenges. This programme will also include 3 x 1/2 day support/mentoring sessions, either to support/observe competitions being delivered and/or support BA's review and plan further events.
